

Rocket to 10

Materials;

- 20 Unifix cubes
- 6 sided die labeled 1, 2, 3, 1, 2, 3
- 10 counters

How to Play:

Roll the die.

For each number rolled, place a Unifix cube on to the rocket.

Begin at the bottom and build to the top.

The first to the top blasts off and counts down to zero.

Collect a counter, The first player with 5 counters is the winner.
