

Rocket to 20

Materials;

- 40 Unifix cubes
- 6 sided die
- 10 counters

How to Play:

Roll the die.

For each number rolled, place a Unifix cube on to the rocket.

Begin at the bottom and build to the top.

Complete one column of ten before moving on to the second column.

The first to the top blasts off and counts down to zero.

Collect a counter, The first player with 5 counters is the winner.
